FOREWORD

A STRICTLY high-class consignment. This is a splendid offering. One can recommend such females because of their worth individually, in pedigree and what they will do for those who buy them. Miller Bros. are constructive cattlemen and the future will record in glowing terms their success. They have bulls that represent the highest ideals and their females are of the same rating. The writer knows whereof he speaks when he gives this firm a prominent place among the men who are getting results in present-day Shorthorn breeding. These cattle are far removed from the ordinary kind, and yet every intelligent farmer can buy them with an assurance of a profit. No prospective buyer should absent himself from this sale, fearing that prices will be prohibitive.

For this auction Miller Bros. have not sacrificed the quality of their cattle from their previous public sale standards one jot or tittle even though they are giving to take less money for them. This is a great thing to say for anyone holding annual sales of the surplus of one's herd. There are no better cattle than these for the old or new breeder. Their pedigrees will withstand critical analysis, those who will see them will not be disappointed as to their individuality.

(Signed) FRANCIS T. MARTIN
Of The Breeder's Gazette.

Guarantee

We believe all animals in the catalog to be breeders. Cows sold with calves at foot or showing safe in calf are considered breeders, and no further guarantee on same; but cows lately bred and open heifers must be producers, but on failure to breed may be returned to us at purchaser's expense, and should such animal fail to breed after six months' trial an animal of equal value will be given in its place. Bulls are guaranteed breders when properly cared for and not allowed to run with the herd. Should any fail to breed he must be returned to us and another of equal value will be given in exchange. Complaints must be filed within six months from date of sale. Pedigrees will be furnished for all cattle, including imported heifers. Cattle property of buyer as soon as bid off and we will not be responsible for any accident that may occur to anyone at this sale.

Health

Entire herd under State and Federal supervision. All cattle passed Federal test May 15th and sold subject to 60-day retest from day of sale.

Terms

Cash or six (6) months time at 8%, providing arrangements for same have been made before the sale. Parties wanting credit must bring late bank references.
